- 1 pc. 1/32" x 1/8" x 1 1/4" for med. rail
- 2 pc. 1/32" x 1/8" x 2 1/2" for long rails
- 2 pc. 3/32" x 3/32" x 1 5/8" for tall posts
- 2 pc. 3/32" x 3/32" x 1" for short posts
- 1 pc. 1/32" x 1/4" x 1/2" for board
- 1 pc. 1/32" x 3/4" x 1" for map
- 1 pc. cardstock for bulletin board
- 2 pc. 3/8" angle for roof pieces
(1 1/4", 1 1/2")

1. Cut wood pieces according to cutting list.
2. Lay one short rail and 2 long rails 5/16" apart as in illustration #1.
3. Position rails on illustration #2 and glue long posts on top of the rails on the left and short posts on top of the rails on the right as indicated in the illustration. Let dry.
4. Glue 1 medium rail towards the top of the two long posts and 2 short rails towards the bottom of the two long posts as indicated in illustration #3. These rails are glued on top of the posts.
5. Glue 3/8" angle to top of posts for roofs (cardboard folded in half will make fine roofs).
6. Cut 3 pieces of thin wood or cardstock – for behind the map, the board on the left and the bulletin board using the sizes in the cutting list.
6. Trim map and bulletin board and glue onto cardstock or wood. Cut out Camp sign and notices and hang as desired.
