

The Big Hat on a Hat Band Instructions.

Print out the big hat pattern on plain paper. (Pattern on next page.)

Cut out the pattern and trace it onto heavy card stock or poster board. This would be a great way to use a piece of that wonderful scrapbook paper you've been hoarding.

Cut out the traced patterns. If you are going to use a head band, don't cut out the center of the brim. If you plan to use elastic, you will probably want that cut out.

Assemble the hat. The top of the hat is slightly larger than the hat body to make it easier to fit into place. When the glue is dry, trim it to fit.

Dress or embellish the hat as you please. I used two sizes of circle punches, scrap wrapping paper and leftover ribbon to dress mine. You can use lace, feathers, jewels or whatever suits your fancy.
