

## NAME Armoire

by Sue Herber, Bellevue, Washington

Cut wood as follows:

- 1 - 3/4" X 3/8" X 1-1/2" main piece
- 2 - 5/16" X 1/32" x 23/32" (that's 3/4" + 1/32") doors
- 2 - 1/8" x 1/32" x 21/32" (that's 5/8" + 1/32") drawers

1. Using X-Acto, angle cut roof peaks on the sides of the main piece as shown.

2. Paint as shown on all sides. Roof on front and back is green.
3. Apply house prints (NAME cutouts) to the large door pieces. Paint side edges of these doors to correspond

with their places on the front of the armoire.

4. Glue doors on front with a slight gap between doors.
5. Paint smaller drawer fronts yellow. Center and glue on green area below the doors.
6. Glue small brass nails or beads for door and drawer handles.

### NAME CUTOUTS
