

NAME Table and Chairs

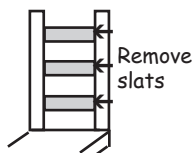

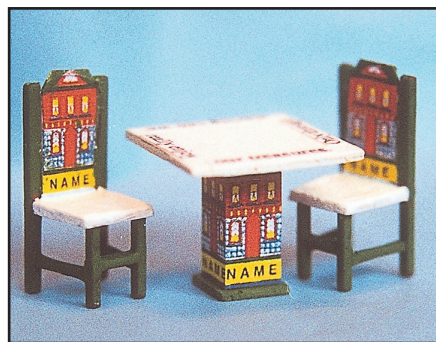

by Sue Herber, Bellevue, Washington

NAME Table

Cut wood as follows:

- 1 - 1/32" X 3/4" (3/4" long for top)
- 1 - 1/4" X 1/4" (9/16" for pedestal)
- 1 - 1/32" X 5/16" (5/16" long for base)

1. Paint top white and base green.
2. Glue design on table top.
3. Cut out four house prints. Center one house print on one side of pedestal, glue and trim excess paper. Continue until all four sides are covered.
4. Glue top on pedestal.
5. Center and glue pedestal on base.

NAME Chairs

- 2 - plastic chairs
 - 1 - index card
1. Remove slats from the back of the chair as shown. Keep uprights.

2. Paint all parts of chair green except seat. Paint seat white.
3. Glue house print on index card. Cut out house. Test fit between uprights. Make adjustments and glue in place. Paint back green.
