

# **A Tour of Amy Rauch's Micromini collection**

**A Create Shares event  
[create.miniatures.org](http://create.miniatures.org)**

**I tend to display my minis in groups by scale. I have pics of each grouping, and then closeups of special pieces. I will try to list who made the item or kit. Please forgive me for any mistakes or misspellings.**

**This is a cabinet of baby houses and cabinets.**

**The ones that are open are furnished, and the ones that are closed are waiting to be done.**

**Close up of a baby house cabinet which is 1/87th scale. The smaller cabinet was bought at the Chicago show from a dealer from Italy.**

**The cabinet on the right is a standard baby house which is 1/87th scale.**

**The cabinet on the left is from sdk miniatures and is a 1/144th Baby house.**
