SAVE THOSE OLD BLADES

DREMEL MOTO SHOP MODELS
571 - 572

Here is a Tiny Tip for those used Dremel Saw Blades (Moto Saw Blades). Save these and make Buck Saw and 2 Man Saw for your General Store or Hardware Shop.

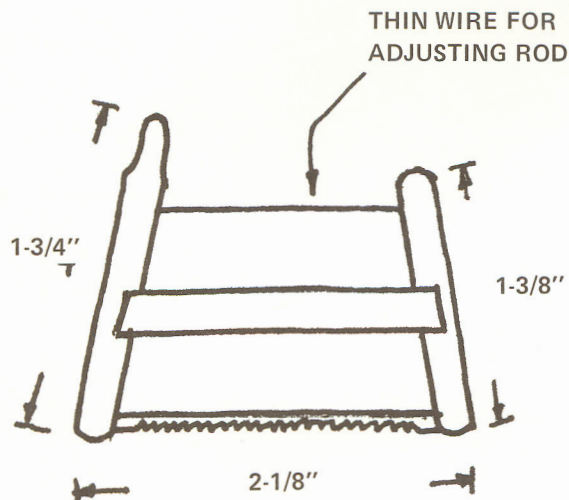

For practically pennies, these can be made in one evening.

COARSE TOOTH #8030

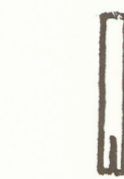

FINE TOOTH #8029

Slot for Blade

BUCK SAW
Material Req.
1/8" x 3/16" Basswood

NOTE: Cut Blade to Length

Slot for Blade

2 MAN SAW
Material Req.
1/8" x 1/4" Basswood

NOTE: Use Blade Full Length
Sand wood round edges for worn look.
Use - Duco Cement for Blade to Wood
Use - Water Base Stain (fast dry) or whatever you wish.
