

# WORK PROJECT

## Quick Quilts

by Polly Hackett-Morey  
Akron, Ohio

### Materials:

scissors

iron

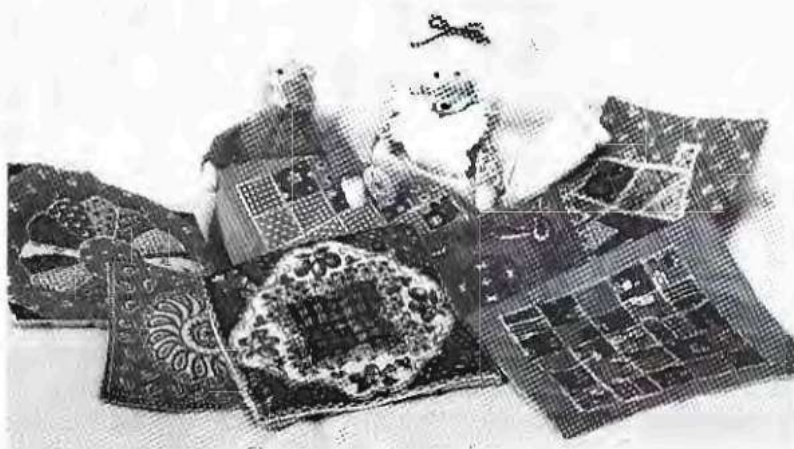

### Method A:

¼ yard of small quilt square pattern material  
contrasting material for back  
light pajama flannel for batting

### OR

### Method B:

6½ x 6½" background material  
25 ¾ x ¾" squares of tiny prints in harmonizing colors  
light pajama flannel for batting  
Stitch Witchery

### Method A:

1. Cut a 6½ x 6½" square of quilt print or a size that looks like a whole quilt top.
2. Cut pajama flannel same size and put on wrong side of quilt print.
3. Cut backing fabric same size. Put backing fabric on quilt print, **RIGHT SIDES TOGETHER** (See Fig. 1), and sew around 3 sides. (Fig. 2).
4. Clip corners and turn right side out. Turn under 4th edge and slip stitch closed. Hand or machine quilt on quilt design.

### Method B:

1. Arrange 25 ¾" squares in pleasing pattern. Place arrangement on Stitch Witchery and then place both on background fabric. Iron according to Stitch Witchery directions. (Be careful the squares don't get moved before you iron.)
2. Continue from #2 above. Use buttonhole or machine zigzag stitch to cover all raw edges from the 25 squares. This will be your quilting. □
