

# Cropping a pattern to make into a seamless pattern

Look below at four of the wallpaper pattern and you can see that it does not match. The red arrows show where the separate pieces meet.

Original wallpaper

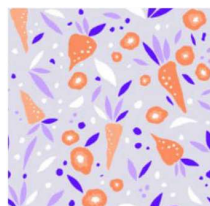

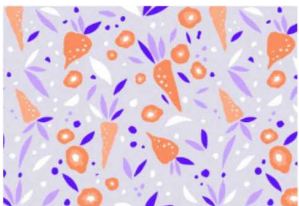

Red arrows show the complete pattern repeat starting in front of the same carrot shape

Cropped down to the top two arrows and up to the bottom two arrows.

Cropped in from the left to the left two arrows and in from the right to the right two arrows.

The finished cropped seamless pattern pasted multiple times to make a wallpaper
